

Actually do fun, creative at-home dates

Every week, we'll text your detailed plan for a fun-🍑 at home date night.

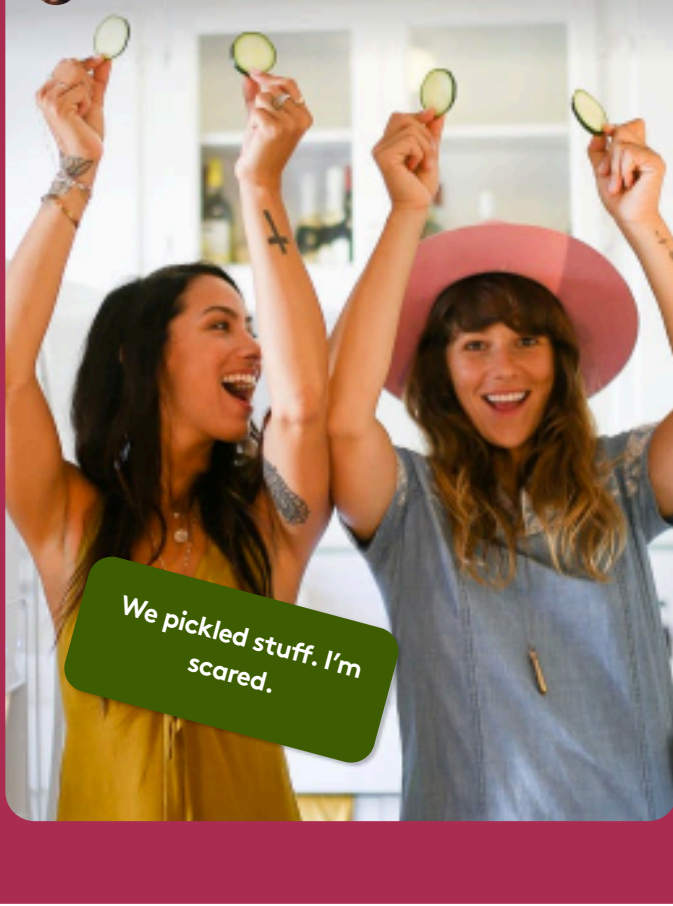

Try it free for a month

Your weekly at-home date plan via text

Every Wednesday night, you'll get texted a ridiculously detailed plan for an at-home date that weekend.

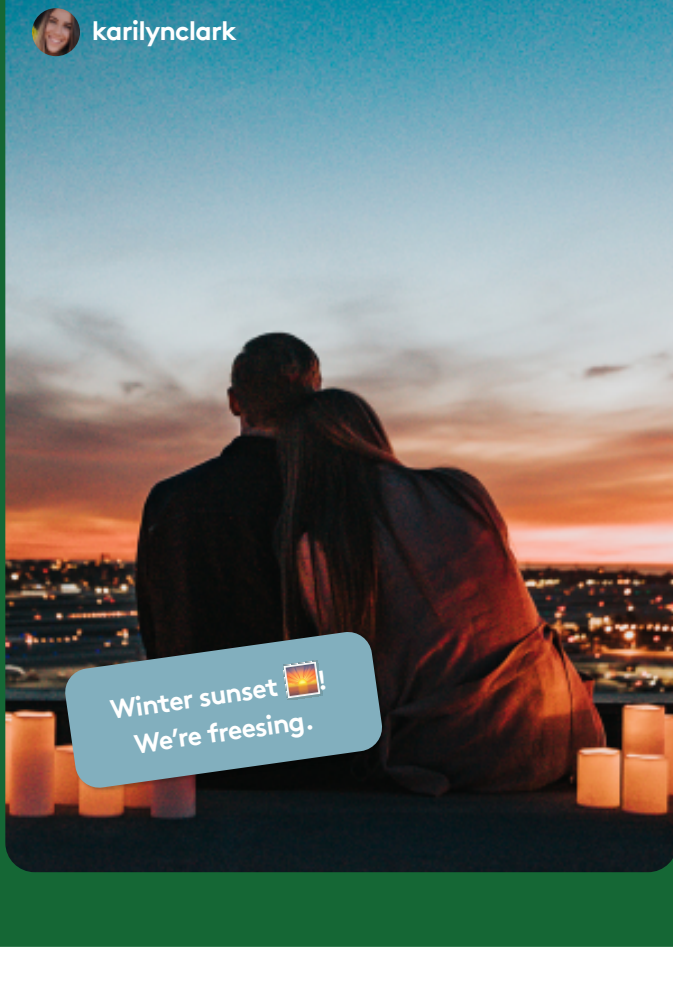

Do hobbies together

From pickling to brewing beer, we'll keep you two busy.

Actually watch the sunset

All it takes is a little nudge.

Spice up your movie nights

We'll help you do better than endlessly browsing trailers.

Busy? Save the plans for later

Our app will be your personal vault of date plans.
